Dear Mr. Greene,

Thank you for contacting my office to share your thoughts on issues facing Indiana. It is an honor to represent the Ninth District for my home state, and I appreciate you taking the time to reach out.

During my time serving the 47th District in the Indiana State Senate I was proud to lead the charge to expand broadband access to our rural communities, fight against tax increases, and support our police officers. I also fought for children to have a right to a great education.

As a Member of Congress, I will continue to support state efforts to improve our infrastructure, and fight to strengthen our economy, promote balanced budgets, ease the tax burden, support our police and first responders, and promote parental rights. Please note, the issue you wrote to us about is an issue before the state legislature, not the United States Congress.

In order to be sure that your state officials know your thoughts, be sure to contact your state representative and state senator. Go to <https://iga.in.gov/legislative/find-legislators/> and enter in your street address and zip code to find who represents you in the Indiana House of Representatives and Indiana Senate. Should you have any thoughts regarding issues before the U.S. Congress please do not hesitate to let me know by visiting my website at <https://houchin.house.gov/contact>.

I appreciate you reaching out to share your views. Thank you again for contacting me. Please do not hesitate to do so in the future on this or any other issue.

Sincerely,

A handwritten signature in black ink that reads "Erin Houchin".

Member of Congress
